

BLET DIVISION 98 — EMAIL NOTIFICATION OPT IN FORM

Effective with the passage of Division 98 Proposal #010306-A, Division Standing Rules now require that all new proposals be sent to the Local Committee of Adjustment members and put out to all members via e-mail. The text of the proposal is as follows:

PROPOSAL 010306-A

All new proposals to be sent to Local Committee of Adjustment members and put out to all members via E-mail. This proposal would no way conflict with the 41(b) vote as per the constitution.

Subsequent to the passage of this proposal the Division 98 Executive Board met and issued the following letter to all members at that time:

Recently, a proposal passed which now requires that all proposals made at a Division meeting be sent to all members by e-mail. Although the Division has collected e-mail addresses for contact purposes, the Executive Board of Division 98 has determined that in light of the purpose stated in collecting those e-mail addresses, it may be construed by some to be a breach of confidentiality to utilize that same contact list for this purpose.

Therefore, in light of security and privacy purposes, we are asking all members to fill out the bottom of this letter and indicate whether you would like your e-mail address added to the 'Proposal Contact' list so that Division 98 can fulfill the requirements of said proposal.

As information, the e-mail notification will only contain the content of Proposals, and will not include any explanation or editorializing of proposals; for that information you will have to attend a Division meeting.

The following form will now replace the original letter.

You must opt-in to the e-mail notification process by; (1) Printing out and filling in this form and (2) Getting this form to the Secretary-Treasurer of Division 98. The current address is:

BLET Division 98 S/T; 301 West Jennifer Drive; Lincoln, NE 68521

By signing and returning this form I understand that my e-mail address will be used to notify me of new proposals brought before BLET Division 98 during regular business. I also understand that by giving this authority, I release BLET Division 98 from any liability resulting from my email address becoming non-confidential as a result of any mass communications providing such notification.

My e-mail address is: _____

Signed: _____

Name (print or type): _____

BLET Division 98 assumes no liability for failure to provide notification due to any technical or transmission problems or failure of the member to provide legible and current updated contact information. Failure to provide current contact information will be considered an opt-out and a new form must be submitted to re-enroll.
